

Year 1 Topic Homework

Dear Parents/ Carers

St Francis will be holding a topic homework fayre on **Friday 19th October** after school. This will be an open event for your children to lead you around the hall to celebrate all the wonderful projects that children have carried out with their parents at home. You can go as small or big as you like, with tasks ranging from fact files/posters to 3D models. Pupils will need your support with this project and the more involved you are, the more they will learn from the experience.

Our current topic is: **Why do we play with different toys as we grow older?**

Here is a list of possible suggestions:

History/Literacy

Find out about toys from the past. You could speak to an older relative and play a few games from the past such as hop scotch, jacks, marbles etc. You may wish to record your findings in pictures, words or photographs.

D.T/Science

You may like to make your own toy such as a dolls house, garage, robot, board game etc., using re-cycled materials such as boxes. Be creative!

It is completely up to you how you approach this task. It would be great if you could fully support your child in their learning and most importantly of all, have fun working together!

Yours sincerely

Miss Killackey and Mrs Sims.
